

Friday 29th January

MLJ is to solve one steps problems which involve subtraction

Task one

Like we did in our lesson - complete these number sentences and show your working out on the blank number line.

20p

I want to buy the bear.

I have 30p

what is my number sentence?

22p

I want to buy the jelly.

I have 50p

what is my number sentence?

I want to buy an icecream.

I have 50p

What is my number sentence?

30p

Fiery challenge

What would you like to buy? How much does it cost?
How much money do you have? Create a number sentence!

Task 2

Go on to Mathletics and complete the assigned work - have fun!!
