MLJ: To create a street scene using a written description.

Create a drawing which puts all of the locations in Lizard Street in order. You can include extra information about who lives there and what it is like. For example you could draw Ruskin's house with newspaper on the windows.

Your street scene should include!

- Ruskin's House
- Mr. Lace's House
- Corkey's House
- Mr. Flick's cinema
- Dr Flower's house
- Mrs Walnuts Grocery Store
- The Dragon and the Golden Penny
