MLJ: To plan a diary entry from the perspective of a character.

Complete the role on the wall with Ruskin's feelings after his audition.

Put Ruskin's feelings on the inside and how this makes him look on the outside.

Sequence your ideas for your diary entry.

1. Mr Lace sharing the dragon.
2. Putting your hand up to say you want to be the hero.
3. The class laughing at you because you are small next to the dragon.
4. Watching the class cheer at Elvis' performance.
