MLJ: To share opinions about the Iron Man using evidence from the text.

We have read the last of the Iron Man today. I want to know what you think about the story we have read.

1. What did you think of the story? Did you like it or dislike it? Explain your opinions.
2. What was your favourite part of the story? Why did you like this part?
3. Think back to your prediction from the start of this half term. Was your prediction correct? What was the same and different?
4. Did you like the ending? Why?
5. If you had written the story, how would your story end?
