MLJ: To use mental addition strategies to add two numbers.

Solve the following using mental strategies.

$23 + 9 =$

$67 + 9 =$

$89 + 9 =$

$46 + 11 =$

$124 + 9 =$

$235 + 9 =$

$154 + 19 =$

$367 + 19 =$

$435 + 19 =$

$546 + 19 =$

$342 + 99 =$

$523 + 99 =$

Use mental strategies to solve the problems below:

Add fifty to eleven.

Ninety-nine plus nine is the same as saying one hundred add eight.

Joe is 9cm taller than Greg. Greg is 153cm tall. How tall is Joe?
