

Re-write the extract below by editing and improving the language devices used.  
Identify the adjectives and verbs and replace these with more effective vocabulary.

- Use a thesaurus to up level your vocabulary.
- Use a dictionary to check the meaning of the words you have chosen.
- Re-read your paragraph to check it makes sense.

Plop! The Iron Man hit the water and broke up. Pieces of his body floated out into the ocean, others hit the pebbles. The waves lapped against the shore quietly. One arm stood up and moved through the sand. He started to find his limbs walking over the stones. He looked between the stones and in the still water. Occasionally, he tripped on the loose shingle and fell down the beach.
