MLJ: To create the pieces of Iron Man.

What do we know about Iron Man so far?

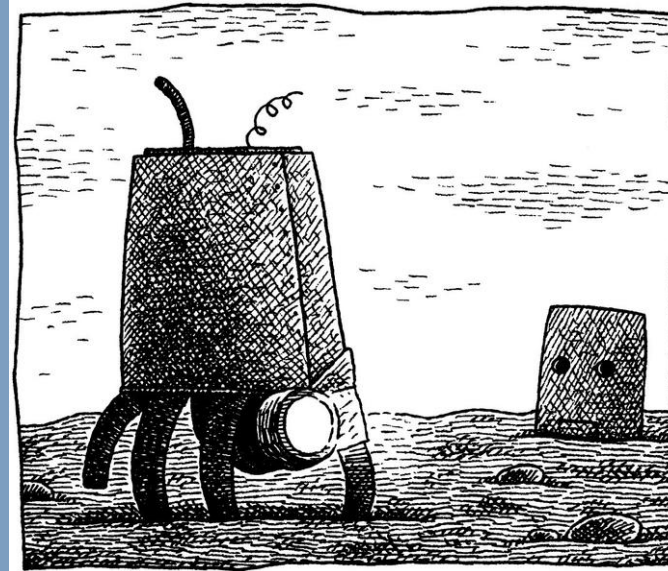

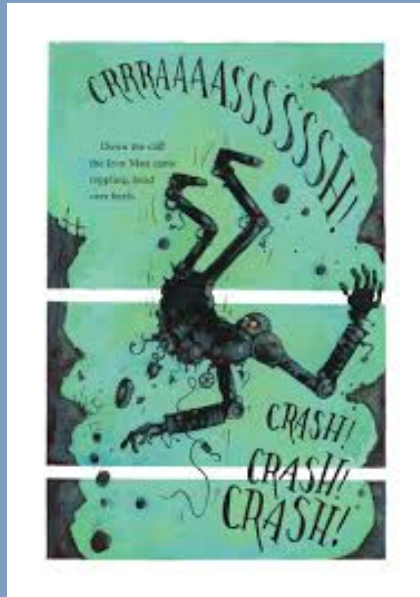

<https://www.bbc.co.uk/programmes/p011mxw2>

Question time!

How does Iron Man rebuild himself?

Build your own Iron Man with things from around your home.
As you put him together make a list of how you are building him.

- Which part do you start with?
- What items could you use?

Share pictures of your Iron Man!

MLJ: To solve missing number problems involving place value.

Give three ways of partitioning the following numbers.

145

462

145

$$100 + 40 + 5$$

$$90 + 50 + 5$$

$$80 + 50 + 15$$

462

$$400 + 60 + 2$$

$$300 + 162$$

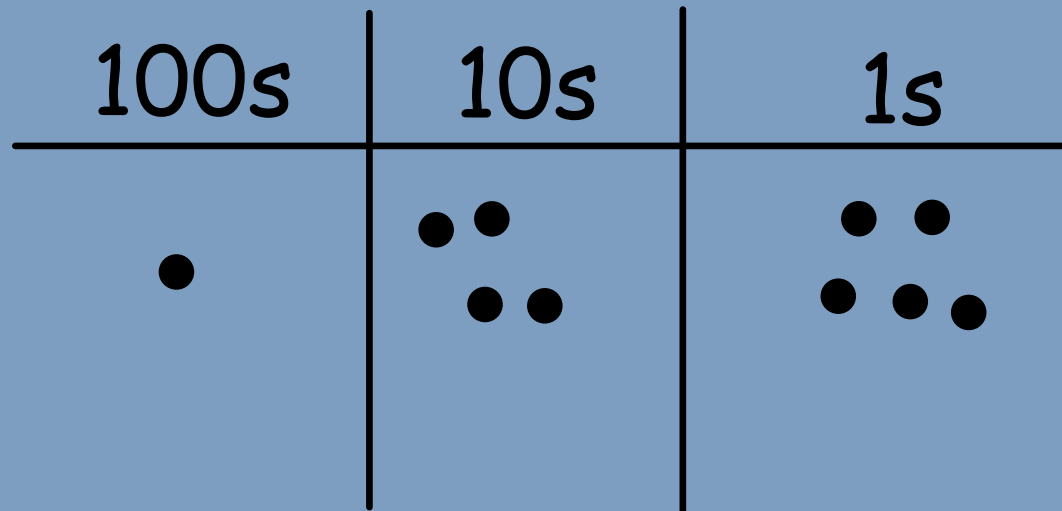

$$100 + 200 + 162$$

What is the missing number?

$$145 = \square + 40 + 5$$

Prove it!

$$145 = \square + 40 + 5$$

Show me the number three hundred and twelve.

Show me the number three hundred and twelve.

100s	10s	1s
3	1	2
••	•	••
•		•

$$312 = 300 + \square + 2$$

$$312 = 200 + \square$$

Use this information to solve the number sentence.

$$\square = 100 + 160 + 6$$

Show me...

100s	10s	1s

$$\square = 100 + 160 + 6$$

Show me...
