

## Art 22.02.21 Commenting on the Art work of Giacometti Question Prompts

### Step 1: Describing the Artwork

#### What do you see?

Is it a painting, sculpture or other?

What medium was used? (eg clay)

What techniques may have been used?

What size or scale has been used?

What relationship is there between shapes? (eg large, small, overlapping)

Describe the colours and texture

Is it abstract or realistic?

Does it tell a story?

### Step 2: Analysing the Artwork

#### How is the work organised?

Is the texture smooth, rough, coarse, fine?

Line - Is it strong, thin, curved, angular?

Is the colour warm, cold, dark, dull?

### Step 3: Interpreting the Artwork

#### What is happening?

The artwork is about...

It makes me think about...

The artist is saying...

What mood and feeling does it create?

What do you think the artist wants you to see?

If I could ask the artist a question, I would ask...

### Step 4: Judging the Artwork

#### What do you think about the artwork?

The best part of the work is...

The strengths of the work are...

The artist communicates ideas by...

I like / dislike...because...

I would (n't) choose this art for my room because...

Why do people see and understand artwork differently?
