

9.2.21 MLJ is to express remainders as fractions using short division 😊 😊 ? (Year 5)

<https://www.youtube.com/watch?v=F0jl-JJ942w>

Calculate these then express each remainder as a fraction

a $5 \overline{) 557} r$

b $3 \overline{) 661} r$

c $4 \overline{) 481} r$

d $9 \overline{) 994} r$

e $6 \overline{) 6945} r$

f $4 \overline{) 8963} r$

RED HOT CHALLENGE

Solve the problems and express each with the remainder as a fraction

a Share 126 blue pencils among 4 people.

b Share 215 paper clips among 7 people.
