

'Deliberately building vocabulary is one of the most important things we can do as teachers.

1. We are serious about closing the gap between those pupils who come from language rich backgrounds and those who do not so we need to pay careful attention to the building of vocabulary.
2. Building vocabulary is a deepening and extension of knowledge
3. The sheer joy of words!!!!

(The Curriculum by Mary Myatt)

At Beaumont we have deliberating chosen 10 key words that we feel that pupils need to know deeply by the end of each term for each subject.

Computing Vocabulary Progression	Autumn	Spring	Summer
Reception	Technology,	Safety, online,	
Year 1	Save, file, keyboard, monitor, delete, space bar, new, screen, mouse, typing.	Paint, program, tool, undo, shape, fill, brush, backspace, cursor, toolbar.	Forwards, backwards, turn, clear, go, instructions, directions, programming, Bee-bot, route,
