

'Deliberately building vocabulary is one of the most important things we can do as teachers.

1. We are serious about closing the gap between those pupils who come from language rich backgrounds and those who do not so we need to pay careful attention to the building of vocabulary.
2. Building vocabulary is a deepening and extension of knowledge
3. The sheer joy of words!!!!
(*The Curriculum by Mary Myatt*)

At Beaumont we have deliberating chosen 10 key words that we feel that pupils need to know deeply by the end of each term for each subject.

Art & DT Vocabulary Progression	Autumn	Spring	Summer
Reception (expressive arts and design)	Art, music, dance, role play, stories, colouring mixing, self-portrait, nursery rhymes, imaginative play, creativity, sing	Tools, techniques, colour, design, texture, printing with a variety of materials, perform	Form, function, refining art, create
Year 1	Explore, produce, paint, sculpture, collage, textiles, printing, artists, sketch, colour mixing, materials, cutting/joining, portrait, landscape, construction	Modelling, sculpture, drawing, colour blocking, texture, abstract, tones, tints, shades, primary colours, secondary colours, line drawing, block drawing	Collage, cooking, design, imagination, artists, make, evaluate, colour wheel, recipe, ingredients, hygiene, healthy diet, cut, chop, slice
Year 2	Sketching, self-portraits, construction, research, shade, tone, tool, technique, blend, detail, texture, material	Modelling, clay, texture, lines, shape, colour blocking, man-made materials, natural materials, drawing	Caricature, illustration, saturation of colour, acid colour, medium, pattern, hygiene, recipes
Year 3	Abstract, cubism, line drawing, photography, editing, running/back/whip/edge/applique stitch, template, functionality, aesthetic, calico, decoration, cross hatch, horizontal, vertical, colour matching	Mechanical systems, gears, pulleys, lever, sculpture, linkage, materials, automata, proportion, pattern, movement, neutral colours	Produce (cooking terms), caricature, illustration, saturation of colour, acid colour, medium, architecture, transparent, translucent, opaque

Year 4	Charcoal, inspiration, contemporary art, prototype, versatility, durability, blanket/overcast stitch, proportion, contour lines, face map, highlight, silhouette	Electrical circuit, component, surrealism, proportion, distortion, pattern, sculpture, texture, wetting, blending, accurate, cams, levers, pulleys	Complementing colours, contrasting colours, warm/cool colours, balanced diet, rationing, carbohydrates, protein, fats & sugars
Year 5	Contemporary, shade, tint, prototype, versatility, durability, aesthetics, blanket stitch, overcast stitch, running stitch, backstitch, depth, optical illusion, perspective	Electrical systems, switches, bulb circuit, moquette, sculpture, abstract, pose, human figures, modernism, aerial perspective =, vanishing point	Warm colours, cool colours, complementary colours, contrasting colours, analogous colours, harmonious colours, seasonality, refined recipes, cooking techniques
Year 6	Pop-art, self-portraits, photography, digital image, sfumato technique, sewing, joining, durability	Electrical circuit, motor, rotation system, proportion, light, shade, frameworks with stability	Surrealism, cubism, expressionism, rations, food groups, ingredients
