

Monday 8th February 2021

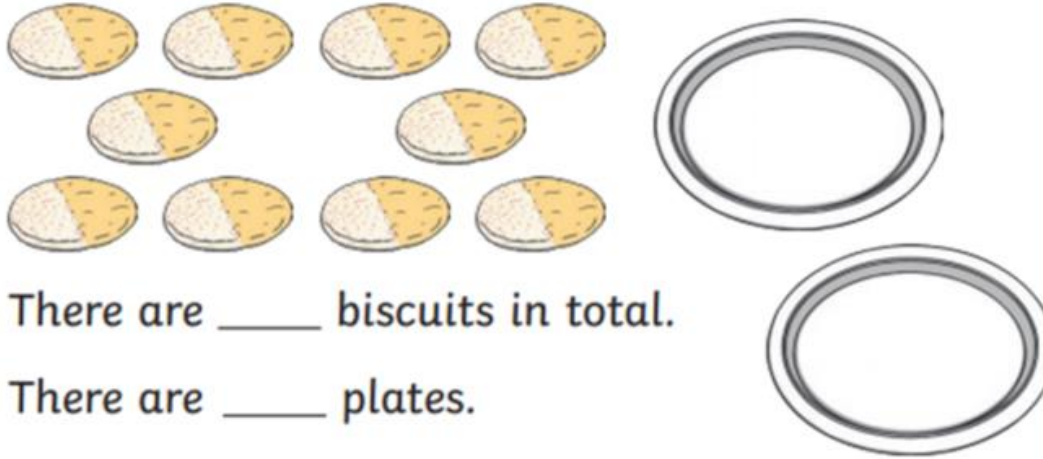

MLJ is to revise solving division using sharing and grouping

Task one - quick starter - fill in the caterpillar below

Task two

Share the 10 biscuits equally between 2 plates.

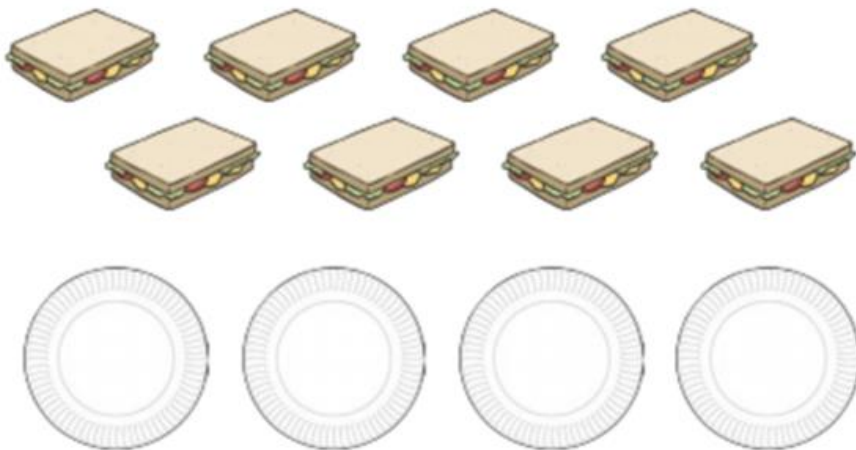

There are ____ biscuits in total.

There are ____ plates.

There are ____ biscuits on each plate.

Divide the sandwiches onto four plates.

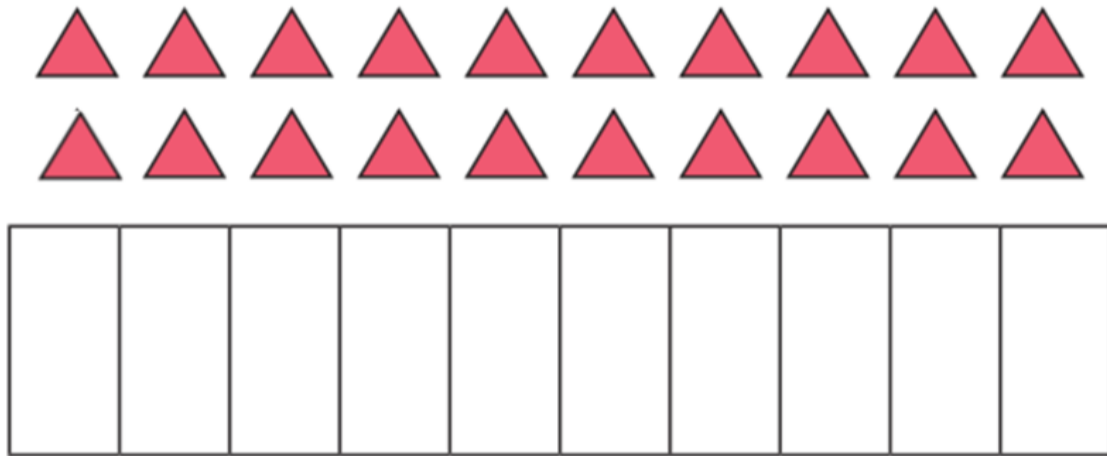

There are ____ sandwiches in total

There are ____ plates.

There are ____ biscuits on each plate

Fiery challenge

Can you write a division sentence for this picture?

How many triangles are there? How many boxes?

_____ triangles shared into _____ boxes
= _____ in each box.

Use this link and watch the clip below called 'divide by 2'.
