Driving safely on Durrant Road

We have had a number of parents reporting that cars are speeding as they drive up Durrant Road. For the safety of our pupils please keep your speed to 20 miles per hour or lower when driving on Durrant Road. We will be asking the community policing team to keep an eye on this.

Visit to London

Owls and Badgers class had an amazing adventure on their visit to London. Owls class not only visited the Science Museum but were able to travel on the London underground. Badgers explored the British Museum and reviewed the history of Japanese cultures. We have had so much feedback on their day especially how they were showing all the Beaumont values. We are proud of both classes.
